Some things to celebrate this past month:

At our last fellowship lunch, I had really encouraged us to branch out and sit with people that we don't normally sit with at a potluck. It was great to see multiple people finding others in the body to talk with and build relationships.

It has been wonderful to see our church rally around our homebound members again and take Sunday School to those who cannot attend. While we certainly want to meet the physical needs of our brothers and sisters who can't join us for worship, we above all want to meet their spiritual needs of fellowship with other believers and studying God's word together.

Discovery club has been a wonderful opportunity for our church for the second year in a row. Thank you to all the leaders who have taught the Bible week after week to eager children. Thank you to all who participated in the "Ice Cream Outreach" for the kids and their families. I hope there were good conversations had that we can follow up on as opportunities for evangelism and discipleship.

We have had a very good Sunday Night series on evangelism that has provided opportunities for members to practice sharing their faith. I have been so encouraged to see multiple members either finding good evangelism tools or being creative and developing their own. This means people are thinking about how to share the gospel!

It was wonderful to have Jeff Nix take on the task of preaching for a morning worship service. I have watched all the effort that he has put into thoughtfully preparing and am so encouraged by his willingness to shoulder this big responsibility to teach the body of Christ from the Word.

I am sure that I only witness a small fraction of the good things that the Lord is doing in the life of our church. If you have witnessed other encouraging things, please share them not only with me, but with other members too. Let's rejoice together and give God the glory for all he is doing at Westmont!
