

Prayer Meeting November 16, 2022

Prayer in Response to the Word – 34.6-7

- Pray that the Lord would deal with us in grace and mercy
- Pray that the Lord might be slow to anger with us
- Pray that the Lord would deal with us from his abounding steadfast love and faithfulness
- Pray that the Lord would keep steadfast love to us for a thousand generations
- Pray that the Lord would forgive our sins
- Pray that the Lord would be just and righteous and by no means clear the guilty
- Pray that we would take sin seriously knowing that God does not clear the guilty

Prayer for Ministries of our Church – Corporate Worship

- Pray that God's people would come ready and eager to sing the praises of our Great God!
- Pray that we would prepare ourselves for worship through out the week, but especially as we get ready to gather together for worship.
- Pray that worship would be a genuine response to who God is and what God has done.
- Pray that we might discipline ourselves to worship regardless of how we feel that day.
- Pray for Tim and our Choir as they lead us in worship, that they might allow us to see an example of heart felt worship.
- Pray as we see those around us worship, it might encourage our own hearts to worship.

-Pray for the specific prayer needs on our prayer list. (See attached)
