Truths to Remember:

Question: What is the character of the one true God?

Answer: God is infinite in holiness and all other perfections.

Revelation 4:8b "Holy, holy, holy is the Lord God Almighty, who was and is and is to come!"

Question: How does God relate to his creation?

Answer: God is the Creator, Redeemer, Preserver, and Ruler of the universe. 1

Revelation 4:11 "Worthy are you, our Lord and God, to receive glory and honor and power, for you created all things, and by your will they existed and were created."

Comment:

God is unchangeable. He has eternally been infinitely holy—completely set apart from all else and completely pure and free from anything unholy. There is no end to his holiness. His holiness sums up all that God perfectly is as the one true God, who is far above and set apart from all else that exists. God is also infinitely perfect in every other of his attributes: love, mercy, justice, power, wisdom, etc. He is eternally perfect and needs nothing and exists with no dependence upon anything.

And yet it has pleased God create all things for his own glory. The Creator of the universe also by his sovereign power preserves and sustains everything that he has made and rules over it according to the counsel of his will (Eph 1.11). It has also pleased the Creator and Sovereign of the universe to relate to his creation as its only Redeemer. He has redeemed a people for himself from sin and death by his grace given in Jesus Christ. He will one day redeem the creation itself along with his redeemed people (Rom 8:19-23) as he reconciles all things to himself through Christ (Col 1:20). Creation is therefore responsible to give to their Creator, Redeemer, Preserver and Ruler the glory and honor of which he is worthy.
